Ladies and gentlemen.

4. Waqf Perak Ar-Ridzuan that will be officially launched today is the continuation of Waqf Enactment (Perak) 2015, which became effective on 15<sup>th</sup> February 2016. It has been carefully planned in a comprehensive way, covering four main aspects of human life namely **Religious, Education, Economy and Health**.

5. In the **Religious** aspect, Waqf Perak Ar-Ridzuan will raise funds for Waqf Al-Quran Development and Growth. It aims to spread the knowledge of Al-Quran in people's life through the processes of teaching, learning, understanding, appreciating and applying Al-Quran knowledge. InshaAllah, this program will help us in developing community that masters Al-Quran and applies its teachings in their daily lives.

6. In the **Education** aspect, Waqf Perak Ar-Ridzuan will raise funds for Waqf Knowledge, which comprises Mumtaz Program and ICT Learning. It aims to reduce the academic achievement gap between students in rural and urban areas. The program will provide guidance and intensive training classes which focusing on the core subjects. It is hoped to improve the academic performance in examinations at both primary and secondary levels. The classes will be conducted in selected *surau* or mosques by qualified teachers in their respective fields. Besides that, in addressing the urgent need for placement of more than 4000 students of Universiti Sultan Azlan Shah (USAS) in Kuala Kangsar, Waqf Perak Ar-Ridzuan has taken the initiative to raise funds for building two new residential building blocks that can accommodate about 720 students.

7. In the **Economy** aspect, Waqf Perak Ar-Ridzuan has taken the initiative to help small-scale entrepreneurs by providing more comfortable and organized retail spaces with affordable rental rates. Business premises with modern design and complete infrastructures will be built on waqf and Baitulmal lands located at strategic and viable locations in this state. Other than that, Waqf Perak Ar-Ridzuan will also raise funds for the implementation of Waqf Boat. This waqf aims to improve the standard of living and economic growth of coastal fishermen. Waqf Perak Ar-Ridzuan will provide boat and its equipments including engines, fishing nets and sonar so that the fishermen can venture to deeper sea waters and increase their catches.

8. Finally, in the aspect of **Health**, Waqf Perak Ar-Ridzuan will also raise funds for the construction of Waqf Hemodialysis Centre at several regions. It aims to provide access and facilities to meet the increasing needs of dialysis patients and treatments. The collected funds will be used for the construction of treatment centres, provision of facilities and equipments such as dialysis machines.

9. Thus, this fundraising program in a large amount initiated by the establishment of Waqf Perak Ar-Ridzuan may empower the community through these various programs covering the main aspects of human life. Hopefully the fundraising

program will be a good medium for people to take part, as well as a catalyst to an efficient socio-economic development of the community in the future.

**Ampun Tuanku,**

10. Before I end my speech, I am glad to inform that the Council Members of Perak Islamic Religious and Malay Customs Council have cumulatively contributed RM33,500.00 to Waqf Perak-Ar-Ridzuan, as a sign of support to the launching of the program. I would like to express my heartfelt appreciation to corporate companies that have given their initial contributions to Waqf Ar-Ridzuan funds, especially Maybank Islamic Berhad which has allocated RM5 million for the construction of Universiti Islam Sultan Azlan Shah students' hostel in Kuala Kangsar. In addition, Maybank Islamic has agreed to donate another RM5 million as a "matching grant", whereby for every ringgit contributed by the public via Maybank2u, Maybank Islamic will donate the same amount to Waqf Perak Ar-Ridzuan. Thank you so much to all donors and contributors.
